OBJECTIVE

MS in Data Science graduate from the University of Pittsburgh with a background in civil engineering, looking to apply quantitative and technical skills across data engineering, analytics, and business intelligence roles.

EDUCATION

- **Master of Data Science**, Completed **Dec. 2025**, University of Pittsburgh. School of Computing and Information, Pittsburgh, PA.
 - **Bachelor of Science, Civil Engineering, 2013-2017** University of Pittsburgh, Swanson School of Engineering, Pittsburgh, PA.
-

EXPERIENCE

- **Data Engineer**, ROI Data Solutions, Sewickley, PA. January 2026-Present
 - Co-founder and engineering manager of a small data engineering practice focused on applied machine learning, deep learning, and analytics consulting.
 - Services include ETL pipeline development, SQL data management, machine learning, and predictive and generative AI work.
 - Portfolio available at: <https://www.roidatasolutions.com/>
 - **Supervising Engineer**, DLZ, Bridgeville, PA. 2022-2024
 - Started as a Bridge and Highway Inspector and promoted to Supervising Engineer on several PA state roadway projects.
 - Managed multiple concurrent projects and staff, ensuring work was completed to design specifications and quality standards.
 - Facilitated communication between contractors, PennDOT, and community members.
 - Ensured quality and that projects were carried out as per design and modifications. Assisted with design and plans of PWSA project.
 - **Supervising Inspector**, M. A. Beech Corporation, Carnegie, PA. 2018-2022.
 - Started as field engineer responsible for inspection and QA of state highways & bridges.
 - Promoted to acting Supervising inspector of state roadway projects.
-

TECHNICAL SKILLS

- **Languages & Libraries:** Python, SQL & MySQL, PySpark
- **Data Engineering:** ETL & ELT, Data Modeling, Hadoop, MongoDB
- **Tools & Platforms:** Power BI, Tableau, Jupyter Notebook, Anaconda, MS Excel, & Azure
- **AI & ML:** Machine Learning, Deep Learning, LLMs & LLM Agents
- **Other:** CAD Design, Strong Technical Writing Skills, EIT Civil Engineer
